'You said we did'/ Priorities

Please can we remind everyone to be extra vigilant around Wallingford Market Place, although incidents have decreased we are still receiving reports of 'purse thefts'. Elderly females appear to be the main targets so please could you all be mindful and remind friends and family. Please keep any purses/wallets out of sight, in bags, zipped up and not left unattended in trollies etc. We are actively trying to stop these incidents with high visibility and 'plain clothed' officers. We are also working with shops and the towns CCTV to identify offender(s).

We have been made aware of road users not abiding by the 'NO ENTRY' signs/road markings as you enter Warborough Road off the Henley Road, A4074. Police will be monitoring this area.

Anti-social behaviour (ASB)

Incidents of ASB in Saxons Heath, Long Wittenham have been reported to us. Reports include young people causing a nuisance, noisy, damaging gardens and leaving litter around. We are working with the local Parish Council to tackle these problems and are encouraging the people involved to use the green spaces in Long Wittenham where possible, along with playing safely.

Reports of ASB in Blue Mountains have been received this month. The neighbourhood team look into all reports of anti-social behaviour and deal with them appropriately. We shall be increasing high-visibility patrols of the area patrolling this area to try and deter this behaviour and to engage with all the residents.

We will also be patrolling around Berinsfield in particular the 'Spinney' which is a private piece of land on the other side of the A4074 from Berinsfield. We have received reports of 'mini motos' using this piece of land. Please can we remind everyone this is private land and the owner does NOT give permission for anyone to use this area. This issue appears to happen most summers and riders will be issued with section 59s. This could mean the bike being seized by Police.
