

LONG WITTENHAM PARISH COUNCIL

WELCOME PACK FOR NEW RESIDENTS TO LONG WITTENHAM

Welcome to Long Wittenham! Long Wittenham is an historic village, continuously settled since the Iron Age. It was a significant Anglo Saxon settlement and subsequently a thriving farming community. The High Street is a Conservation Area with an eclectic mix of historic buildings.

The aim of this document is to enable you to settle into your new community as quickly as possible and identify services, clubs and social events relevant to you. We have provided contact details for the organisations included. More detail is available at www.longwittenham.com. There are lots of volunteering opportunities in the village and you are invited to attend Parish Council meetings to hear discussions about current issues.
