

Clifton Hampden Post Office & Stores

Temporary Closures April 2023

Filming of TV Thriller 'Slow Horses'

It is all very exciting – we have been chosen as a 'shop' location for filming scenes for the Apple TV Thriller 'Slow Horses'. They will also be filming in the Churchyard and a scene on the road outside the shop.

This means the Shop and Post Office will be closed 4th – 6th April 2023.

Easter Weekend

We will be open for reduced hours over the Easter Bank Holiday weekend as normal.

We are getting a New Roof.

Our roof has seen it's best days behind it and is in desperate need of replacement. This important work will be undertaken during the period 11th – 23rd April 2023 inclusive. The work of stripping the roof may be slower than normal as the contractor has to comply with Bat conservation legislation.

Due to Health and Safety concerns for our customers, we have been asked to close whilst the work is undertaken.

Newspaper Deliveries: We will continue to deliver daily Newspapers during this period, and this will include Sunday 16th and Sunday 23 April 2023.

We will reopen on Monday 24th April 2023
